

# 2018 Weir Vineyard

Pinot Noir | Yorkville Highlands

## The Vineyards

*The Weir Vineyard in the Yorkville Highlands is located on a south facing hillside of rocky, gravely soils at an elevation that ranges between 850 and 1000 feet above sea level. Cool ocean air funnels up the Anderson Valley to regulate the ripening of the exceptional fruit from this vineyard.*

## Tasting Notes

*The wines from this vineyard continue to impress this winemaker. This complex wine possesses aromas of cherry cola, black cherry, espresso, Herbs de Provence, and rose blossoms. Seamless mid-weight flavors of cola, cocoa nib, and ripe red fruits coat the palette. Like previous vintages of this wine, the concentration of flavors and integration of tannin of this youthful wine truly speak for the quality of the vineyard. Fans will enjoy this wine over the next 10+ years. A thorough decant is recommended if consumed over the next 6 – 12 months.*

## Vinification
