

2019 Rosé

Vin Gris of Pinot Noir | Sonoma

The Vineyards

The Spell Rosé is produced from the Saignée (French for “bleed”) of the Pinot Noir. The juice for this wine is removed (“bled”) from each lot of Pinot Noir as it is being destemmed into the fermenter. It is transferred to a stainless steel tank which is maintained at 50 degrees F, to promote a slow, cool fermentation that preserves the fantastic aromatics. Once the primary fermentation has completed (2-4 weeks after the last lot of Pinot Noir is processed) the wine is moved to a selection of neutral French oak and stainless steel barrels for another 6 weeks of aging before bottling in January.

Tasting Notes

A rich pink color introduces aromas of white strawberry, watermelon rind, ginger and peach pit which are accompanied by smoky, minerality elements. Refreshing flavors of fresh spring strawberries, honeydew melon and raspberries spread across the tongue and lead into a smooth, lingering finish. Those of you who are familiar with previous vintages won't be disappointed as this wine remains consistent with past vintages. Serve chilled and drink now or over the next eight months.
